

Cody Tecson

U.S. Coast Guard

Cody Tecson graduated from the Coast Guard Academy in May of 2016 with a Bachelor of Science in Mechanical Engineering.

Cody reported to USCGC SHERMAN stationed in Honolulu, HI in June of 2016 as a student engineer. He went on 4 patrols with SHERMAN and was part of the last crew that decommissioned the cutter.

He is currently attending University of California Berkeley to pursue a Master of Science in Mechanical Engineering.

Cody Tecson is from Virginia Beach, VA and is married to Stevie Tecson. His hobbies include playing soccer, golfing, and surfing.
